FOR IMMEDIATE RELEASE:

HISTORIC GRUNGE ROCK TRIBUTE EVENT HITTING NEW YORK CITY

JANUARY 6TH, 2012 AT THE GRAMERCY THEATER

PROUDLY PRESENTED BY THRILLS AND SKILLS & UNDERANDABOVE

The Grunge 20 (co-created by several veteran New York event producers and long-time fans of the Grunge Rock movement) celebrates the seminal sound and influence of the biggest names in grunge rock era. Inspired by the recent "Pearl Jam Twenty" biopic, The Grunge 20, or "The G20," is an historic East Coast live music event celebrating the 20th anniversary of the emergence of Grunge with a night of music created by the bands that fueled it all. The event will feature many local bands, cover bands, and solo performers covering both classic anthems and b-sides from the era, as well as a few key surprise guests.

In this tribute to the West Coast / Seattle Sound that inspired audiences and artists worldwide, some of New York's most talented live musicians will pay homage to Nirvana, Pearl Jam, Alice in Chains, Stone Temple Pilots, Smashing Pumpkins, The Foo Fighters, Soundgarden, Mother Love Bone, Hole, and more. Featured bands will perform songs specially chosen based on both personal meaning to the musicians and to the movement- songs that exemplify the era, with no song repeated and a few numbers reserved for a grand finale involving many of the musicians.

The main event will be held at The Gramercy Theater, one of New York's oldest live music venues, accommodating 600 guests. A pre-event on December 17th will give the opportunity for musicians, their guests, and select press to hang out, get to know each other, jam, and discuss the influence of Grunge Rock on their music and lives. Project Parlor then makes for the perfect after-party spot where guests will be invited for more drinks and discussions.

The Grunge 20 is an event like no other produced in New York before- part birthday party for a movement that rocked America and the world, part gathering of musical minds to pay tribute to songs that changed their lives, and part glance into the past and opportunity for fans to see favorite songs performed that they've never had a chance to see live (and may never again).

\$20 advanced, \$25 at the door. Doors at 8:30, show 9-1am. After-party at Project Parlor.**
